

# Iverstine Farms

## Wild Game Check in Form

Thank you for choosing to have your harvest processed at Iverstine Farms. In order to ensure that you and all of our customers receive clean, quality, processed meat from your wild game we require all deer to be inspected by an Iverstine Farms employee before we will agree to process your meat. We will inspect for spoilage, foreign objects, bones, dirt, fecal matter, and other problems that will keep us from providing a wholesome product for consumption. We reserve the right to reject any meat that we feel is not suitable for consumption or is not in a state that allows us to process it.

We require a \$50 deposit on all processing orders. Once your meat is processed you will be contacted by an Iverstine employee informing you that your meat is ready for pick up. You have 10 days from the time that we contact you to pick your meat up. After 10 days, we will charge the credit card information on file for the full price of the order. In addition, after 10 days, we will charge a \$5/day extended storage fee. Charged upon pickup or monthly. After 3 months (90 days) of extended storage your meat will be discarded and you will forfeit your processed deer.
